Old Business:

Music Festival was another success.

New Business:

Brent has been attending the Open Space meetings. If anyone would like to volunteer as a liaison, otherwise Brent will continue attending...no other volunteers.

The form for the Halloween Parade is ready. Letters will start going out soon. We have trailers for the hay rides. Everything is in good shape so far.

We will need to start looking for musical groups for the music festival for next year – need to book by October.

Jim met with the Rotary today and discussed a playground at Duffy. Estimate is \$50k. Jim will propose to use camp money toward the balance. Playground would go up sometime between 2016-2017. It would fall under P&R maintenance.

A decision on what to do with the Duffy house will need to be made. Need to get the costs to save it and to demolish it.

Baseball is asking to have the basketball courts and turn them into a parking lot. This could cause issues. Plus this would add a cost because then basketball courts would need to go in at Owens and that would cost \$50-75k.

Partnered with the Municipal Alliance this year for National Night Out. It was very successful. For the record, Alliance moved this event from Main Street to Owens.

Summer Camp grew by 15% this year.

Volunteer group outing at Tall Pines for Jackson and his fight against brain cancer – Sunday, 8/16 from 12-4 – put together by Scott White.

Tim's bench should be in within the next few weeks and the install will be quick.
