

TOWNSHIP OF MONROE

Brian Cope

Director of Parks and Recreation

301 Blue Bell Road
Williamstown, NJ 08094

Dear friend,

The Monroe Township Parks and Recreation Commission is happy to announce that Monroe Township is preparing for our Annual Music Festival! The Music Festival brings everyone in the community together to enjoy a fun night with family, friends and music.

This annual event has been a continued success. Over 10,000 people were in attendance at our last event. As we continue to grow, the Commission realizes that it is essential to have more businesses, organizations and citizens involved in the success of the event.

The event would not be possible without the support of the business community sponsoring the event. We hope that we can earn your support so we may continue to offer the residents of Monroe this fun and exciting evening.

If your organization would like to take advantage of one of the sponsorship opportunities enclosed and/or explore new ways to partner with the Monroe Township Parks and Recreation Commission, please contact me at (856) 728-1372, or via email: bcope@monroetownshipnj.org.

Thank you so much for your support!

Brian Cope
