Open Discussion

Hockey used Season Cast for parent viewing of games due to Covid restrictions at the parks, is very successful. Hockey plans to reconfigure the smaller back rink into a larger rink so they can hold tournaments.

Nick asked about insurance. Little league paid into insurance last year with the understanding if they did not have a season they would receive money back. Due to not having a 2020 season because of Covid they were not given a refund. Nikki Hand will email everyone the agency Braves Football and Cheer use.

Everyone discussed restrictions due to Covid and difficulties of having a season

Basketball is concerned about trying to find outdoor space for a spring season since they are unable to use schools. Requested to possibly use the old tennis courts that hockey is now using for practice at Owens just for the spring season. Brent said the town wants to convert that space back into tennis courts, will look into this matter.
