Old Business

Vice President nomination
Nikki nominates Mike Scott for VP All in favor

New Basketball courts on Church St are almost finished, and need an exterior fence. Mike asked Brian if a barrier system between courts could be installed so balls do not go into opposing courts.

Hockey's new deck is finished. Waiting to redo back Stinson court. Frank stated that if Stinson court is unsafe, Parks and Rec needs to be notified.

Old tennis courts at Owens need to be designated for something.

Background check reimbursements

Collect all receipts from coaches, the organization reimburses coaches individually.
Organization is responsible to submit an invoice to Monroe Twp for reimbursement.
Those reimbursements right now go through Anne. You can submit invoices as many times as is convenient for organization.

New Business

Brian Cope will be our new Monroe Twp Parks and Rec Director

Brian will correlate with Tiffany Carney what documents are owed from organizations to the town for records. Some documents and forms are being converted to digital format that will be available online.

Frank explained that the SAB is designed to help one another not govern over each other.

Brian will find out why background badges are unable to be printed at the Pfeiffer Center.

Still awaiting Monroe Twp email address, will send out

Any requests are required to be submitted by email

Any budget requests for organizations should be requested through town council at the October meeting for the new year budget.

Lacrosse asked if fields can be fertilized

Organizations that utilize town fields are concerned about the increased amount of dog waste being left of fields. Hoping the dog park will help deter people from using sports fields for dogs.

Meeting adjourned 7:50
